

Fielder, Sheila Hardee

Micah Fielders Family Stories

**Micah Fielder
April 22, 1995**

English 1st period

Fielder, Sheila, Hardee. 29 January 1955. Price, Utah. Personal Interview
Castle Dale, Utah. 22 April 1995.

A proud mother of three boys, she has five sisters, and three brothers.
Grew up here and never left.

I was born January, 29, 1955 in Price, Utah. I am the third child of eight
born to Lavoy and Marilyn Hardee. My sisters are; Janet, Colleen, Irene, and
Shellee. My brothers are Tom, Rick , and Brent.

I grew up in Orangeville, Utah where I attended elementary school there.
We rode the bus to Ferron for our years at South Emery Jr. High School, and to
Castle Dale for high school at Emery County High.

While attending school the girls always wore dresses to school and that
didn't change until I was a senior in high school when they passed a new dress
code so we could wear dress pants, but not levis.

While growing up, I enjoyed being on the track teams during Jr. High and
playing softball every summer in Orangeville. I was cheerleader for two years at
jr. high school and on the drill team for one year. I was also cheerleader for all
three years during high school including studentbody cheerleader my senior year,
and a member of the drill team for one year.

In the summer of 1972 , I met and started dating Joe Fielder from Castle
Dale whom I married in September 22, 1973, the same year I graduated from
high school. We made our home in Castle Dale, where we have lived ever since.

On June 24, 1975, our first son Joshua Joseph Fielder was born. Nineteen months later Justin Ty Fielder was born on February 4, 1977. Two and one half years later Joseph Micah Fielder was born November 20, 1979. He is know as Micah.

Our boys have all been active and excell in all kinds of sports, which we enjoy watching very much. We are very proud of them and of their accomplishments.

Joshua is now attending College of Eastern Utah and working part time for Genwal Coal Company. Justin is a senior at Emery County High School and will graduate this May. Micah is in the nineth grade at San Rafael Jr. High, where his favorite class and teacher is English taught by Mrs. Carter. He will attend Emery County High next fall.

When Micah was eight years old I went to work as secretary at Mine Service and Hydraulics, where I am still employed. My job duties include purchasing, payroll, and accounts payables, and receivables.
