end visited the Reay and
Blair's Log and Red Land
Mud along mud road
with Gordon for day for
2 hours and half of
from _____

Sunday 4-1984 15.
Up at 7 am later for
the comic about to be done
at 10 am somewhat and found
I had met with the best sound
on Sunday so had with my
camera - Brad and Robert had
want to do what must to change
after Robert we got out to
go to the creek the fresh one
left at 2:30 with Sam and Elie stop
and time for gas got to observe
at 4:30 we were going to
and see 10 PM push to bed.

Monday 4-16

up at 6 am at 10:30 check to
for looking into out the
after 7:00 AM rough 4 feet
the trace all the time went
in for dinner then we and
lean out out in open air.
We took some of fresh water
going to eat and then
to have till 1:30 PM

Friday

DATE 11-20-8

went back to work to do some things
I worked back down to Shovel
House the van was bad in it
for the tire at the bushy ground
some back home and they in
front of day and some

~~the first part of the day~~ 4:30 P.M. started
up on the road with the car & went
line going after the road was marked
with the gullies for the 4th house
out the road a small road. Tell the
after I changed the rollers' ramp
house for pulling out and
I ran the the motor on road

Clement and me very came up
